

BHONE MYINT SAN

DATA ANALYST | BI & OPERATIONS ANALYTICS

Bang Na, Thailand | 062-924-8135 | bhonegood@gmail.com | github.com/BhoneMyintSan | <https://bhonemyintsan-portfolio.vercel.app/>

Information Technology graduate majoring in Data Science with hands-on experience in data analysis, data operations, business reporting, dashboard development, and data quality validation. Experienced in preparing registration, sales, attendance, and entrance-traffic datasets for large-scale events, building executive reports, and supporting stakeholder decision-making. Skilled in Advanced Excel, SQL, Python, Power BI, Looker Studio, Google Sheets, and AI-assisted tools for analysis support, code debugging, research, and documentation.

TECHNICAL SKILLS

- **Data Analysis:** Data cleaning, data validation, EDA, KPI analysis, trend analysis, reconciliation, business reporting
- **BI & Visualization:** Power BI, Looker Studio, dashboard development, visual reporting, data storytelling
- **Programming & Data:** Python, SQL, PostgreSQL, Oracle DB, Google Colab, Orange
- **Spreadsheets & Tools:** Advanced Excel, Google Sheets, Pivot Tables, formulas, reporting templates, GitHub, Draw.io, Figma
- **AI Tools:** ChatGPT, Claude, Gemini for analysis support, code debugging, research, documentation, and output validation

PROFESSIONAL EXPERIENCE

Veeva Systems | Freelance Data Operations Specialist

Aug 2026 - Present

- Research, verify, and maintain structured healthcare-related data, ensuring accuracy, completeness, and consistency across assigned records.
- Validate information against reliable online sources, resolve data inconsistencies, and follow data standards and operating guidelines.
- Support data quality control through careful review, documentation, and attention to detail in a remote freelance environment.

Expo Pass (EVENT THAI) Data Analyst Intern

April 2026 – June 2026

- Managed end-to-end data preparation for registration, sales, and attendance across multiple large-scale events, ensuring high data accuracy and reliable business reporting.
- Delivered executive dashboards and performance reports that transformed complex event data into actionable insights for clients and senior management.
- Streamlined recurring reporting by designing standardized Advanced Excel templates and reporting workflows, improving efficiency, consistency, and data quality.
- Mentored and trained new interns on data validation, reporting standards, and Excel-based analytical processes, strengthening team productivity and maintaining reporting quality.

SELECTED ANALYTICS PROJECTS

Coffee Shops Review Analysis (Bangkok)

- Analyzed 5,000+ TripAdvisor reviews in Python using EDA, keyword frequency, and sentiment analysis to identify customer satisfaction drivers and service priorities.

Mobile Phone Sales Performance Analysis

- Cleaned Amazon mobile phone sales data and built KPI dashboards to compare sales trends, price tiers, and brand performance.

Feel ABAC - Campus Food Ordering Platform

- Analyzed order and vendor data, identified peak ordering periods for operational planning, and designed an ER model to structure key data relationships.

EDUCATION

Assumption University of Thailand (Suvarnabhumi Campus)

July 2022 - March 2026

- Bachelor of Information Technology, Major in Data Science | GPA: 3.44 | The President's Certificate of Honors, 2025

VOLUNTEERING EXPERIENCE

Assumption University Myanmar Student Council

Nov 2023 – Jan 2024

Event Organizer & Participant Manager

- Coordinated logistics and participant data for university events with 100+ attendees, supporting accurate participant tracking and cross-team coordination.

ADDITIONAL INFORMATION

- **Languages:** Myanmar (Native), English (Professional), Thai (Basic), Japanese (Basic)
